Connectable label printer for your workspace

Transform your workspace with a professional label printer from Brother. From small office/home office setups to larger office spaces, the PT-D460BT model offers a compact, easy-to-use label printer which prints clear, laminated labels and comes with additional Bluetooth connectivity. Perfect for organising important files and folders, asset management and general office signage labels, this model allows you to create an organised and comfortable working environment for everyone.

PT-D460BTVP

Key features:

- Design and print labels from your PC, Mac, smart device via Bluetooth 5.0 or USB
- Create labels using the built-in keyboard or by using Brother's iPrint&Label app and P-touch Editor 6.0
- Large graphical display to view text and layout before printing
- QWERTY keyboard for easy typing
- Built-in label templates for easy label creation
- Store up to 70 labels for quick reprinting
- Suitable for 6, 9, 12 and 18mm width TZe label tapes
- Includes tape cassette, AC adaptor, carry case and USB cable

Perfect for standalone use

With a built-in QWERTY keyboard and large graphical display which includes print preview, the PT-D460BT model is user-friendly and designed for ease-of-use, fast typing and optimal desktop handling.

Expanded options for creating labels

The PT-D460BT label printer is perfect for straightforward standalone use, as well as PC and smartphone connectivity which offers additional label design functionality when paired with the iPrint&Label app or Brother's P-touch Editor software. These applications provide expanded options for creating labels beyond basic usage, including specially designed, ready-made templates and the option to create fully customised labels. Include your own logo, symbols, barcodes and much more.
