

ROLINE Wireless Charger (15W) and Car Smartphone Holder, Magnetic

Product No.	19.11.1015
Manufacturer	ROLINE
Manufacturer No.	19.11.1015
EAN (single piece)	7630049634398

roline
Designed for Professionals

Wireless Charging Smartphone Holder for the car, for wireless charging of Qi-capable smartphones by induction - thanks to the integrated coil in the charger, the device can be charged very quickly and efficiently with up to 15W.

- Charges a compatible smartphone or other suitable Qi devices with up to 15 W of power
- 360° rotatable ball joint for optimum adjustability, ideal for using navigation apps, for example
- Secure hold thanks to clamps for attaching to air vents
- For use in the car to avoid having to attach cables directly to the smartphone
- Connection to Wireless Charger via USB Type C to USB Type C cable (plug/plug)
- Color: black
- Contents: Car Smartphone Holder with Wireless Charger, USB C-C Charging Cable, USB A-C Adapter, Metal Ring, User Manual

MagSafe

- Supports MagSafe, a charging technology developed for Apple products
- MagSafe uses induction charging technology with a maximum charging power of 15 W.
- The difference to classic Qi-compatible chargers lies in the use of magnets in MagSafe chargers. This ensures that the device you are charging is held securely on the charger. In addition, the device is fixed in the optimum position in relation to the charging coil.

Qi wireless charging:

Qi is an interface standard for inductive power transmission (wireless charging) of the "Wireless Power Consortium". Inductive charging requires two devices, a receiver (such as an

iPhone 8/X) and a transmitter (charging station). The current is transmitted via coils that generate a magnetic field. The smartphone can absorb energy via this magnetic field and thus charge the integrated battery.

Technical specifications

Manufacturer	ROLINE
Product group	Mobile accessories
Product type	USB Car Charger
Colour	black
Length	1 m
Scope of delivery	Car Smartphone Holder with Wireless Charger, USB C-C Charging Cable, USB A-C Adapter, Metal Ring, User Manual
Cable length	1 m
Technical particularity	Input Voltage: 5VDC, 3A; 9VDC, 2.2A
Height	35 mm
Width	35 mm
Depth	61 mm
Weight	120 g
Height of packaging (single piece)	80 mm
Width of packaging (single piece)	50 mm
Depth of packaging (single piece)	90 mm
Package weight (single piece)	0.25 kg
