ROLINE 19 inch roof fan unit 2 fans thermostat grey

The roof fan units can be used flexibly in any 19" rack. Each fan unit is supplied with two sets of mounting brackets. With the standard set, you can attach the fan unit to any height unit of your network or server enclosure. The second set enables installation in the roof of 19" network or server cabinets from the ROLINE Pro and Basic series. A switch and an adjustable thermostat offer optimum customisation options. The model is available in the standard colours grey (RAL 7035) and black (RAL 9005).
