ROLINE Base for network cabinet 800x1000 WxD black

The plinths are available for all 19" cabinets in the ROLINE Pro series and the ROLINE Basic series. They increase the ground clearance by 100 mm and can be stacked on top of each other to achieve a height of up to 200 mm. The interior can be used for storing excess cable lengths and for cable management. The delivery includes a kit.
