

VALUE USB Type A-C Data Lane Blocker

Product No. 11.99.8339
Manufacturer VALUE
Manufacturer No. 11.99.8339
EAN (single piece) 7630049632486

This USB Type A Male to USB Type C Femal port blocker blocks the data lines of the USB port and therefore protects your end device from unwanted access or malware - only power is transmitted. This solution is particularly useful in environments where USB ports are easy to manipulate or hijack, such as hotels, airports, train stations, fairs or other public premises.

- Reduces the risk of becoming the target of attacks via public USB ports
- Diminishes the risk of malware or malicious software being transferred to the device
- Suitable for IT equipment in any hotel, office or public environment such as schools, museums, trade fairs or other places
- Ideally suited for anchor points such as airports and railway stations
- Does not cause conflict with the existing IT infrastructure
- Prevents data exchange by blocking the data lanes - only power is transmitted to your end device
- Safe charging without complications

Technical specifications

Manufacturer	VALUE
Product group	Mobile accessories
Product type	USB Isolation Adapter
Colour	white
Scope of delivery	1x USB Data Blocker

Side 1 Connector Type	USB 2.0 Type A
Side 1 Connector Gender	Male
Side 2 Connector Type	USB Type C (USB-C)
Side 2 Connector Gender	Female
Height	11 mm
Width	18 mm
Depth	37 mm
Weight	6 g
Height of packaging (single piece)	10 mm
Width of packaging (single piece)	10 mm
Depth of packaging (single piece)	30 mm
Package weight (single piece)	0.002 kg
